

Brussels, 20 October 2016

Dear Commissioner Malmström,

We, the undersigned, Catalan Members of the European Parliament are writing to you to bring to your attention the resolution approved on the 6th of October by the Catalan Parliament on International Trade and Investment Treaties.

In the text, the Catalan Parliament stresses its opposition to the signature of CETA and calls to stop negotiations on TTIP and TISA.

The resolution calls for the full respect of the current distribution of competences between the regional, state and European level, the improvement of environmental and social legislation, full safeguards for public services and of ILO labour standard and the rejection of new arbitration mechanisms. Please find attached the resolution mentioned above.

Yours sincerely,

JAVI LÓPEZ
